

# THE BIRTHDAY MASSACRE

**White Hair Productions** and **Tornspace Films** are in Pre-Production of  
*The Birthday Massacre.*

This is **THE NEXT GREAT HORROR MOVIE!**

**The Blair Witch Project** was made on a budget of \$20,000, while  
**Paranormal Activity** was made for a mere \$11,000.

Both films went on to gross millions at the box office and on DVD. Wouldn't you have loved to have been an investor on a turnaround like that? It isn't too late, people love horror movies and great movies that will live on forever are made on these types of micro-budgets every day.

If you want to see your name on something that can be found in video stores all over the world, a movie that you have the opportunity to visit the set of and meet famous, world renowned actors and horror movie icons, then please be a part of this movie.

We are gathering money from investors who want to own a part of this unique film and sponsors who want to reach audiences across the globe.

***See our website for information on being one of the lucky few to help fund this film!***
